EXHIBIT 8

A Pre-Owned Womens Rolex Datejust.

The watch consists of a total of 8 ct of all Clear diamonds set on the bezel, case and center links of band. This genuine rolex watch has a one row diamond bezel added to it. The bezel consists of fully faceted round brilliant diamonds in a SI1-SI2 Clarity. The watch has been upgraded with an aftermarket Rolex Dial with Diamonds on the numbers. Brand New after market stainless steel band with original rolex buckle. The entire center links of the band have been set with pave set diamonds. Original Case and factory rolex automatic movement. A gorgeous green mother-of-pearl diamond dial. Brand new sapphire crystal has been added. Watch recently serviced by rolex professional. If a watch like this watch purchased from Rolex brand new, it would cost around \$20,000.

Comes with Original Rolex Box and appraisal certificate.
